- Regular tests & crash courses
- Safe classrooms with CCTV

We are not just “tuition teachers” — we act as mentors and motivators for your child.

FAQs about Class 10 Science Tuition in Dwarka

1. Do you follow NCERT thoroughly for Class 10 Science, and which reference books are used?

Yes. We strictly cover **NCERT** line by line, along with **Lakhmir Singh** for extra practice in Physics, Chemistry, and Biology.

2. How many tests and worksheets are included in Class 10 Science each month?

Students take part in **chapter tests every week**, multiple-chapter tests monthly, and **board-style mock exams**. In total, they complete **60+ tests across the year**, plus worksheets for each unit.

3. Who teaches Science at Aspirations Institute, and what’s their experience?

Our Science faculty have **8–25 years of CBSE teaching experience**. Teachers like **Preeti Madam** and **Gagan Sir** are known for **concept clarity and student-friendly explanations**.

4. How do small batches of 15–18 students help in science coaching?

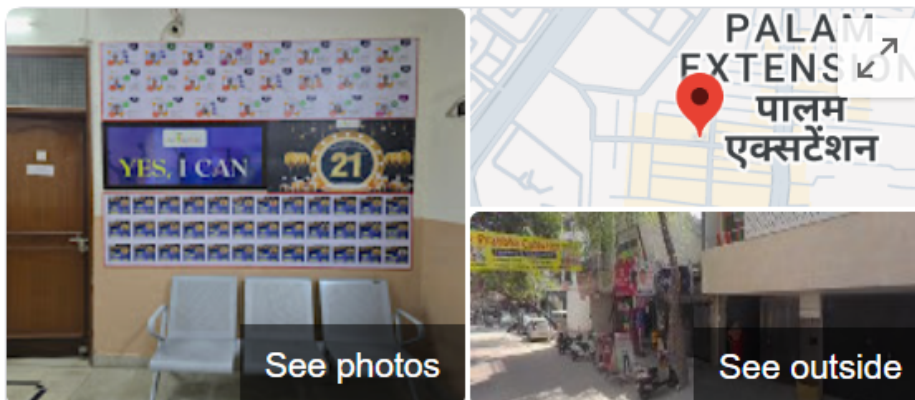

With fewer students, teachers can:

- Track individual progress
- Solve doubts instantly
- Give more practice feedback
- Ensure no one feels left out

This is why our results are consistent every year.

5. Can parents track performance through your mobile app?

Yes. Parents receive **regular updates on test scores, attendance, and performance graphs** through our **dedicated mobile app**. Feedback meetings are also held with parents.
